

*2025 Summer Mini-Tour*

## **MUSIC & MEMORIES at OWA**

**Saturday, May 31, 2025**

Open to currently enrolled PCC Singers in Grades 3-12!

The Pensacola Children's Chorus invites singers in grades 3-12, along with chaperones, to join us for a day of musical fun at **OWA Parks & Resort** in Foley, Alabama. Together, we'll enjoy the year-round island vibes of **Tropic Falls**, which boasts the region's largest indoor water park and 23 additional rides and attractions. After a **special performance** in the morning for park guests, we'll take over OWA for an entire day of fun, making new friends and memories along the way. Join us!

This mini-tour opportunity is perfect for families who are interested in testing out the touring experience with PCC on a smaller scale. Parents and caregivers are invited to apply to serve as chaperones, but there is no requirement to participate with your child.

*This concert and tour experience is planned and managed by PCC staff.*

# CHAPERONE/NON-PERFORMER POLICY

The Pensacola Children's Chorus welcomes parents, family members, and friends to accompany us on this tour. If you are considering joining us on this trip, please review the following information:

## CHAPERONE

Chaperones are an essential component of every tour. As an extension of staff leadership, chaperones ensure that PCC's standards of conduct are observed by all singers throughout the tour. Chaperoning is a great way to experience the trip through the eyes of our singers. The best chaperones play a crucial role in cultivating a positive and memorable tour experience.

A participating singer's family member can serve as a chaperone. Parents/guardians are preferred. Other family members (such as a grandparent, aunt/uncle, or older sibling over the age of 21) may be able to chaperone but must first interview with a member of the PCC staff. Because chaperones serve as caretakers of singers during the trip, they are required to pass a Level 2 background check and are carefully vetted by PCC staff members. If you are interested in becoming a chaperone, **please register for the trip**. You will not be charged until you have been contacted by a PCC staff member.

Please note that **if you wish to accompany your child on the trip, you must register as a chaperone**, not a tagalong. As such, chaperones may not deviate from the scheduled itinerary, nor can they be responsible for any children/family members who are not enrolled as a PCC singer. (This stipulation especially applies to non-enrolled siblings, spouses, or extended family members. Chaperoning is a job, not a vehicle for a family outing.)

Additionally, chaperones will be expected to part ways from their singer from time-to-time to participate in chaperone-only activities, as well as provide space for singers to build social bonds and shared experiences under the supervision of PCC staff.

## TAGALONG

Due to the short nature of this trip, parents, caregivers, friends and family members who are not serving as chaperones are not invited to participate in this trip experience. However, this does not prevent friends and family to join us in OWA (valid park admission is required to view the performance). Regardless, participating singers must remain with PCC chaperone groups at all times. Furthermore, ***adults who are not a part of the touring group may not remove a singer from PCC supervision or attach themselves to a PCC chaperone group at any time.***

***Please reach out to PCC Staff to learn which option is best for you!***
